PROPERTIES

LIKER SPN is suitable for very soft napa, skins from for furriers, upholstery, clothing and footwear, bovine, as well as goat/sheep and pigskin. **LIKER SPN** is an oil purposely developed to be able to lubricate in acid environments such as : pickling and special tannage for fur articles which ask for these requirements. **LIKER SPN** is complete fatliquor, it gives lightness, a silky but not greasy feel therefore excellent buffing on the fleshy well as grain side, these perquisites also render it suitable for NUBUK articles.
